

Sermon Summary

august 30 2023

Summary

This sermon discusses prophecies from the book of Daniel about the Antichrist. Pastor Carl talks about:

- **Conditions that will exist in the world before the Antichrist comes to power, like perilous times and corruption of religion.**
- **Attributes of the Antichrist, including that he will be a man of power, popularity, false peace, prosperity, and will institute the mark of the beast.**
- **How the Antichrist will break his covenant with Israel, desecrate the Jewish temple in Jerusalem, and demand to be worshipped as God.**
- **Contrasts between Jesus and the Antichrist - Jesus is truth/holy while the Antichrist is a lie/lawless.**
- **The abominations the Antichrist will commit, like attacking God's people and trying to wipe out the Jews.**
- **Prophecies of the Antichrist's defeat by Jesus at His second coming, being thrown alive into the lake of fire as punishment.**

The overall message is warning about the rise of the evil Antichrist figure and encouraging believers to remain faithful to Jesus in the face of coming tribulations.
