### *Summary*

Pastor Andy started with a dream about New Horizon worshipping with JOY. The whole church was in ONE ACCORD. This is the way God designed our life to be with one another. God has an order. It's seen in nature. It's seen in all the things that God created. It's also in humans. Why did God make us last? Was it because we are the pinnacle of his creation? Saving the best for last? That is valid. But actually, it's very possible He saved us for last because when he awakened Adam's eyes, the Father wanted to Adam to see the vastness of the glory of His creation.

The Spirit is God-conscious, our Soul is self-conscious, our Body is world-conscious. God desires that we walk in a state of being God-conscious, He desires that we walk in the SPIRIT. God desires to be WITH us. Even when Adam and Eve sinned, God went to look for them. He still desired to be near them.

The spiritual realm is waiting to see what our actions will be when we are given temptation. The enemy wants to steal the intimacy that we have with the Father. Satan tempted eve by saying if you eat of the tree you will be "like God". The thing was.. she already was! That is an example of the lies that come with temptation sin. What does satan tempt Jesus with in the wilderness? He says if you'll bow down and worship me I'll give you all the kingdoms of the world, I'll make you "like God". Jesus always was GOD. And how does satan tempt us now? It's the same exact ploy to tempt us to be "like God", when in reality we already are made in the image of God and if we are saved and walking in the Spirit we are HIDDEN in Christ!
