John 1:35-51

Curiosity

They were following Jesus and were curious.... Jesus asked "What are you looking for" There has got to be more! Jesus says follow me.

Invitation "Come and See"

Vs 39. Jesus said come and see and they came and saw!!! Following Jesus is not complicated. Jesus invites us in to see what He truly is. Spiritual reality is found in Jesus!!

Action

Mark 2:13-14 "He stood up and went" Jesus is calling us to action Mark 10:17-22 The man was not willing to act... (the price was too high)

Potential

Vs 42 Jesus saw potential in everybody. (Peter is far from the firm person Jesus saw that he would become) He sees in us something that we can produce Vs 43. Phillip was a super intellectual theologian he repeated what he had heard.

Adaptable

Jesus was able to motivate and lead whoever he needed to. His leadership is adaptable to us so that he can lead us and take us to new places.

Anticipation

God waits in eager anticipation for us to come and see

People

His plan was never about himself. Jesus said come and see so that he could teach us how to go and tell.
