APPLICATION QUESTIONS

These questions are provided for further study and application of today's message. Thoughtfully writing out the answers will help drive home the point of today's message. It is also helpful to discuss your answers with others.

1. Praying broadly for Christians is seen in Ephesians 6:18. How can you pray broadly for fellow Christians and for Paradise Valley Community Church? (Need help? Look at Paul's prayers in Ephesians)

2. Paul asked for specific prayers from other Christians. Who could you share a prayer request with this week? Start with what you would have them pray for you about specifically. Health concern? A spiritual issue you're working through? Be specific.

3. There is no doubt that both Paul, Tychicus, and the believers in Ephesus had a deep love for one another. How was that expressed in the text? How can you express a deep concern for fellow Christians this week?

4. The last point of the sermon emphasized a God focus on behalf of One Another. We want fellow Christians to know God better because He is their greatest good. Write a list of the people who matter most to you. Think about what you want most for them. Does it match what God wants most for them? Begin praying for them according to the end of Ephesians to know God's peace, love, faith, and grace.
