APPLICATION QUESTIONS

These questions are provided for further study and application of today's message. Thoughtfully writing out the answers will help drive home the point of today's message. It is also helpful to discuss your answers with others.

1. Husbands are commanded to love their wives. How is the gospel weaved into this command? What does it mean to love your wife?

2. Marriage is one man and one woman joining together to be one and knowing this, what is natural for you to do then for your wife? What is unnatural?

3. You, husband, nourish and cherish your own body. How can you nourish and cherish your wife? What does that include? What can you practice this week?

4. Husband, your growth as a husband who will nourish and cherish your wife is responsive to how Jesus treats you. Read Psalm 23 and list how Jesus actively nourishes and cherishes you as His son. How can you emulate your great Savior and Lord in your marriage?
