## APPLICATION QUESTIONS

These questions are provided for further study and application of today's message. Thoughtfully writing out the answers will help drive home the point of today's message. It is also helpful to discuss your answers with others.

1. The truth that God is always present no matter where you are can bring comfort and uneasiness. Explain both in your own life. How are they each a blessing from the Lord?
2. Rehearse the gospel once again to your own heart. Does the fact that God knows everything about you and loves you surprise you? How does that teaching bring you comfort? Is there anything you want to bring to Him today that He already knows?
3. God is all-wise is a fantastic teaching. He knows all the facts and what course of action should be taken to achieve the best. How does this teaching lead you to humility? How does it lead you to prayer? (See James 1:1-8).
4. Which of God's teachings can be applied to what you're going through right now? How does knowing God is with you bring hope? How does it bring accountability? How does God's perfect knowledge lead to humility? How does God's wisdom lead to prayer?
