## APPLICATION QUESTIONS

These questions are provided for further study and application of today's message. Thoughtfully writing out the answers will help drive home the point of today's message. It is also helpful to discuss your answers with others.

**1.** What does it mean that God is the standard of righteousness and justice? What other standards do people look to? What danger is there if God is removed regarding what is right and just?

**2.** God is a just judge. This includes rewarding those who do right and punishing what is evil. How is this teaching applied in Romans 12:18-21? How does this free you up to do good even when people are against you?

**3.** God being a just judge should be humbling to you. Read Matthew 5. What are you guilty of at a heart level? What do you deserve?

**4.** God's patience is on display with you even now. Why is He patient with you? What is His intention for you? Look back at 2 Peter 3:3-9. Is God kind? How is God's patience meant to lead you to repentance?
