APPLICATION QUESTIONS

These questions are provided for further study and application of today's message. Thoughtfully writing out the answers will help drive home the point of today's message. It is also helpful to discuss your answers with others.

1. What does it mean that God is the standard of what is good? When you think of what is good, what characteristics or actions do you think about? Are they good? How do you know?

2. God does good. This means that all He does is worthy of honor and praise. List some of God's actions in which He deserves honor and praise for doing good.

3. Read Psalm 106 and list the ways God's goodness is on display. Give thanks to the Lord for His goodness.

4. Read Romans 8:28-29. What promises are found in this passage? Who are these promises for? What is the good God will cause in the believer's life? How does this change your perspective on suffering and hardship? What questions remain?
