

1 Corinthians 6 Notes

Paul rebukes believers for taking one another to court. His point is that believers should settle differences among themselves.

It is important to understand that Paul is discussing matters that are not criminal or outside of the law. These must be handled legally.

“do ye not know”- v2,3,9,15,16,19 the implication is that they were aware that they should not be doing this. Clearly shows their carnality.

V8 its ok to suffer a wrong, God will make it right in His time, Christ like response is the key

V11 act like what we are in Christ

Washed- cleansed of sin

Sanctified- declared holy

Justified –declared righteous

Name- refers to the character of Christ which is now our identity

V12-20 Christian liberty and purity

V12 “all is lawful” NOTE sin is never lawful, we don’t have liberty to live in sin.

Not all is expedient- there are many things that may be ok but not beneficial

13-20 warning against fornication

V19- 20 A reminder that we are to glorify God in all things
