

W**elcome:** Share one high and one low going on in your life right now.

W**orship:** Listen to “God of This City” by Chris Tomlin

W**ord:** Read Matthew 24:1-14

1. How will false messiahs present themselves?
2. When the Bible uses the word nation, what specifically is it referring to?
3. How is it that the signs of the end of times are actually birth pains (the sign of the beginning of a new time)?
4. What function(s) of the church will cause it to become persecuted, hated, betrayed and turned away from in times such as right now? How do we stand firm?
5. How is the gospel the ultimate, complete, eternal remedy to racism?

W**itness:** Please close by praying for the peace of our nation, for healing, for God to give us more time to preach the gospel and be used to bring “all nations” to Him.
