

Welcome: My favorite unusual food combination is..?

Worship: Listen to *Nothing Is Wasted* by Elevation Worship.

Word: Read *Luke 12:35 - 48* & *1 Corinthians 13:4-7*.

What spoke to you most from this passage and/or Pastor Bryan's message? Why?

Re-state what God is speaking to you directly and write it down. (Give the group time to think and write their statement down, then go around and have everyone read it out as if it was a statement from God to them.)

Write down your response to God (from above) and state it out loud to him in the presence of your dGroup family.

Witness: Close with a time of prayer for those relationships God is calling you to most endure in.
