WORD: READ John 14:15-31

What was your greatest takeaway from the scripture/message?

v15 Keeping God’s commands is how we love God AND each other. ***Why does loving God also mean to love others?***

What’s the difference between being temporarily minded and earthly minded, AND, how does that play out as we love God and love others?

v16 The Holy Spirit has been given to us as our authoritative, legal council. ***How does this knowledge change your actions/decisions/plans?***

v17 ***What keeps the world from really knowing Jesus?***

Describe a time in your life that where you spent time in the world and lost intimacy with God.

v21 The Holy Spirit is ever increasing, giving us the opportunity to continually be shown and grow in the knowledge, love, purposes and will of God. ***How have you experienced the Holy Spirit leading and teaching you through the ever-increasing knowledge and intimate relationship with God?***

Read Galatians 5:22-23

What fruits of the Spirit have you experienced, and how has God used those fruits to build His church?

WITNESS: Spend time in prayer, asking the Holy Spirit to lead and guide you as ambassadors of love for Christ in your circle of influence.
