

Welcome: Where do you go to relax/get away from daily stress?

Worship: Pick and read a favorite Psalm or come prepared with a worship song.

Word: What stood out to you from the scripture or message? What did you underline/highlight/write down?

Read *1 Samuel 24:1-13*.

How do you go about discerning God's will for your life? What are some of the frustrations you have had (or are having) in discerning God's will?

Read v.1-3 again and imagine you were in the cave with David. What would you have said to him and why?

David knew God's will was for him to be king, but the "how" was less clear. David was tested/tempted to take the short cut. How are you sometimes tested/tempted to take the short cut to bring about God's will in your life?

What assurances and help does God give us when we are unsure about the road ahead?

Witness: Close with a time of prayer where everyone prays for the person to their right (no need for prayer requests; just ask the Holy Spirit to give you words and/or a spiritual blessing).
