

**Welcome:** What is one thing that you really should throw away, but probably never will?

**Worship:** Read *Psalm 103:1-14*.

**Word:** Read *James 2:1-13*

- How would you define "favoritism"?
- What are some of the reasons why we shouldn't show favoritism?
- Share a time when you were discriminated against or exploited. How did that affect you?
- Share a time when you judged someone by their appearance, discriminated against or exploited someone else (even subtly). Why do think that happened?
- What are some practical things that we can do to ensure that we love like Jesus (i.e. not looking to others to take from them, but only looking to others to give and serve them)?

**Witness:** Commit to praying every morning for one week for the Holy Spirit to give you an opportunity for Him to use you that day to love (i.e. give/serve) someone who doesn't follow Jesus.

**Looking Ahead:** Read *James 2:14-25*.
