

Welcome: Would you rather be really hot or really cold?

Worship: Listen to “*Only a Holy God*” by CityALight
https://youtu.be/7HSdeeCm8_g

Word: Read 2 Chronicles 7:11-22

1. How did the message to Solomon/Israel to relate us in the modern church?
2. Have someone google “Baal” and describe who he was and how he was worshipped. How do we see aspects of this worship in our culture today?
3. Have someone google “Asherah” and then “Molech” and describe who he was and how he was worshipped. How did Pastor Bryan relate all of this to our current age and our unknowing worship of Babylon?
4. How does this passage deepen your understanding and the convictions?

Read Jeremiah 6:13-14

5. How were priests and prophets who were not engaged in these evil practices still responsible for Israel's demise?
6. What happens when we shrink back in a similar way?

Witness: Please pray for The Father and Son to send the Holy Spirit to do this deep work among us.
