

Welcome: What is something important a parent, grandparent, or older mentor taught you?

Worship: Listen to *Praise Before My Breakthrough* by Bryan & Katie Torwalt.

Word:

- 1) What spoke to you most from this passage and/or Pastor Bryan's message? Why?

- 2) Read *Genesis 3:14-15 & 4:25*. How are these two related? (Hint: think about the genealogy of Christ)

- 3) What does the birth of Seth tell you about the nature and character of God?

- 4) Can you think of a time when God "birthed" something new in your life when prior all had seemed lost? (Have a couple of folks share their story)

- 5) Read *Genesis 4:26*. Why do you think people became more intentional about reaching out to God at this time?

Witness: Close by praying for God to birth a powerful sense of hope where there is a sense of loss in the lives of those in your group.
