Sermon Notes:

Welcome: What was your favorite year in grade school, and why?

Worship: Read Psalm 46.

Word: Read Judges 6:14-16, 6:36-7:8, 7:16-21 **August 25th
9 & 11am**

1. What is your favorite part to Gideon's story, and why?
2. Why was it so important for Gideon to put his faith in the direction and promises of God in order to overcome Midian's oppression?
3. How about in your life? In what circumstance(s) is it difficult for you to totally rely on God's direction and promises, and why?
4. What are some of your insecurities? How has God used (or how could you imagine God using) your insecurities for His glory?
5. What action steps of faith was Gideon called to do? Why were those action steps so important?
6. Why is it so important that our faith turns to action? How have you seen God move through your action steps of faith?
7. What are you doing right now that absolutely requires faith in your life?

Witness: What kind of witness would have Gideon been if he simply had faith in God's direction, but never put that faith into action? How do you think our lack of action effects our reflection of Christ?
