

Welcome: If you could have free tickets to any concert, where/who would it be?

Worship: Listen to "*Living Hope*" by Phil Wickham.

Word: Deuteronomy 8:7-20

- 1) What stood out to you the most from the scriptures/sermon?

- 2) Define in your own words what is a Covenant in regard to God and humans?

- 3) Who is the stronger and weaker party in the covenant? What motivates the stronger to make a "deal (Covenant) with the weaker?"

- 4) PBJ talked about an "Original Covenant", and "Old Covenant", and the "New Covenant."
 - How are they similar?
 - How are they different?
 - What is the great news concerning the "New Covenant?"

- 5) Read Revelation 21:1-5. How does this re-shape your view of 'heaven'?

Witness: Close with a prayer confessing your faith in Jesus as "the way" and asking Him to lead you and your church to lead others to give their lives to Him!
