

**W**elcome: What TV series could you watch on repeat?

**W**orship: Read Psalm 138 aloud.

**W**ord: Read *Matthew 6:19-24, 31-33*.

- What verse or part of the sermon stood out to you, and why do you think that is?
- What is the “treasure” that Jesus is talking about in these verses?
- What do you think Jesus meant when He said “Do not store up yourselves treasures on earth...”? How do we “store treasures in Heaven”?
- Share a time when you allowed material possessions and/or prosperity to draw you away from God and His Kingdom. What caused you to draw near to Him again?
- What are you worrying about right now? Why do you think you are unable to surrender those concerns to God?
- How do we seek His Kingdom first?
- Do you believe that “all these things will be given to you” when we seek the Kingdom first? Why or why not?

**W**itness: Commit to praying for an opportunity this week to serve, connect with and/or minister to someone who is disconnected from God, and actively be looking for that opportunity.
