

Welcome: What is your go-to order at a coffee shop?

Worship: Read Psalm 25 as an opening prayer for your group.

Word: Read Genesis 9:1-18

- 1) What stood out to you most about this week's Scriptures/sermon?
- 2) What promises are and are not included (even implied) in the covenant that God establishes with Noah and his descendants?
- 3) The fact that there will be rainbows means that there will again be rain (literal and figurative storms in our lives). What is God's purpose for allowing times of struggle/testing?
- 4) Share how God has worked in your life through storms/crisis, and how He eventually brought you through.
- 5) What happens in verse 16? How does God tip his hand and show what he is really doing through this newer covenant?

Witness: Reach out to encourage someone in your life who is going through a storm/crisis.
