

# DISCUSSION GUIDE

04/09/17 - "High Priestly Prayer (Part 1)"

**WELCOME:** Do you remember your first cell phone? What was your favorite thing about it?

**WORSHIP:** Read Psalm 86

**WORD:** READ John 17:1-18

What was your greatest takeaway from the scripture/message?

"Believe" vs "know". Do you truly KNOW God? Is it enough to simply believe? What does it mean to be increasingly convinced; to know the Lord and His good character?

Action for our salvation comes from God alone. Why is salvation impossible through man? Was there a time in your life that you pursued salvation through your own works?

Jesus, as the High Priest, is interceding on our behalf to the Father. How do you respond to that truth?

How do you tangibly respond, knowing that Jesus is praying for your covering and protection?

How do you respond in your life, knowing that you are protected by God and covered under His authority?

Experiencing the covering of God doesn't mean being physically present; but spiritually, emotionally, and relationally present. What does that mean, to be in attendance but not be under His covering?

**WITNESS:** Only a few days until Easter! Go around the circle and hold one another accountable to your outreach activity this week. Have you leveraged the resources God has given to you to invite others to experience His covering?
