- 1) What stood out to you the most about the Scriptures/sermon?
- 2) David was honest with God. Take a quick inventory of your prayer life; how often are you completely honest with God? Why, or why not?
- 3) David worshiped God with TRUST. When you grow increasingly impatient in the midst of your hardship, what/who are you tempted to put your trust in?
- 4) David worshiped God with JOY and GRATITUDE. How often, in trial, would you say you have a heart of gratitude? Why or why not?
- 5) When going through hardship, why is our praise so important? Is it easy or difficult for you, and why?
- 6) What’s your favorite worship song right now?
- 7) Looking back on this What If series (Peace, Joy, Worship), what has been your biggest takeaway and/or what do you think God wants you to focus on the most?
