

Welcome: Mac or PC?

Worship: Read Psalm 11

Word: Read Mark 5:21-33

1. What stood out to you the most about this week's Scriptures/message?
2. What are some of the characteristics of Jesus we see in this scene?
3. If you were the suffering woman, what would you be thinking when Jesus turned to look for you? What if you were Jairus?
4. In this scene, Jesus was present and focused. How do you see busyness rob us of our ability to be present with God and quickly respond to His will?
5. How do you see busyness rob us of the capacity to love others well? Can you share an example?
6. What "noise" do you struggle to turn down (ex. technology, social media, books, work...), and how does that affect your ability to be present and respond to the will of God? What are some practical ways that you can minimize that "noise"?

Witness: Put a note somewhere where you will be reminded daily to stay present and focused on God's will, and to change your lens from looking at "interruptions" as possible divine appointments.
