Message Title: "Emergency Message That Will Immediately Save Your Life!" by
Pastor Bryan James, 6/14/26

Scriptures: Psalm 139

1. **Read Psalm 139.** What part of of Sunday's service, message, or passage stood out to you this week?
2. (*Reference verse 1-6*) David has an awareness that God truly sees him. How does he feel about God's total knowledge of him? (Protected, free, oppressed?) Do you consider God's intimate knowledge of you in dark times off discouragement, fear or anxiety? How can this revelation of God, coming back to this truth, strengthen and encourage us?
3. (*Reference vv. 7-12*) Why does David think about escaping God? Are there difficult times in which we might do the same? What do these Scriptures reveal to us about God's character? How can this knowledge of him affect the way we face difficulties?
4. (*Reference vv. 13-18*) How does this Psalm make you feel about yourself and your value to God? Has God ordained all your days? What does that mean?
5. *Verses 19-24* gives insight to the context of David's psalm, who faced serious demonic intimidation and discouragement from 'haters' and cried out to God. Have you experience similar? Why does he ask God to search his heart? What does this teach us about how to respond in similar circumstances?
6. How did God personally meet you through this "Emergency Message"? Was it like a "holy intervention" in your heart/mind? Share if you desire.
