03/19/17

**WELCOME:** What's been your go-to worship music lately? Favorite album?

**WORSHIP:** [Worship Playlist](#)

**WORD:** READ John 16:16-33

*What was your greatest takeaway from the scripture/message?*

*Ever been too scared to ask God something because you might not like the answer? Or, ever been caught up in questioning Christ for literal details? How did He answer you?*

Jesus promised eternal salvation for those who believe. ***We learned in this scene that the big and bold promises run up against the greatest forms of opposition. Why is that, and how have you experienced great opposition against greater promise?***

Pain and suffering are opportunities to encounter the Father's love and build upon our unshakable faith. ***They serve as spiritual markers for our growth. What's a spiritual marker, and how have you experienced spiritual markers of unshakable faith through pain and suffering?***

***Explain PBJ's claim that "The power of God is not to escape death, the power of God is to go straight through it."***

Jesus has covered us in His blood and has given us the capacity to talk to the Father. Wow! ***How does that affect your relationship with the Father, knowing that He loves us so much that we can speak with him DIRECTLY?***

**WITNESS:** What's your progress on the Micah 6:8 project as a group? How can your coaches/leaders help you? Let us know!
