

Welcome: What did you do for Easter dinner? Was it any different than your previous dinners? If so, how?

Worship: Listen to *Hallelujah For The Cross* by Chris McClarney
<https://www.youtube.com/watch?v=npe6gqweNUk>

Word: *Read 2 Corinthians 1:1-10*

Have everyone answer every question this week. There are not many, but they should provoke good, important discussion.

1. What part of the teaching resonated with you the most, and why?

2. Have you felt an increased urgency to seek His face (and hear His Words)?

a) If yes, what are you hearing?

b) If yes, what are you doing about it?

Witness: Close with a prayer asking God to use current events to bring repentance and an awakening in our nation (beginning in our own homes and church).
