

Welcome: If you could watch only one movie for the rest of your life, what would it be?

Worship: Read Psalm 133

Word: Read Luke 4:31-4

1. What stood out to you most for the Scriptures/sermon?
2. What power did Jesus demonstrate in Capernaum? How about on the cross and through the resurrection? What does this say about the divine authority of our Savior?
3. In what ways do you see our culture water down the authority of Jesus' teachings, and how might you see yourself tempted to get caught up in same lie?

Read Acts 1:8, Mt. 28:18, Jn. 14:12.

4. Jesus commands and delegates His power/authority to believers through His Spirit. For what purpose? And how should this give us confidence?
5. Share an example of how you are and aren't walking in the authority of Christ.
6. What is one step of faith you will make this week to walk in the authority of God?

Witness: How does the authority of Christ give you confidence to share His love with others?
