

DISCUSSION GUIDE

04/02/17 - "The Resistance" - PBJ

Reminder: CHECK IN ATTENDANCE on Breeze

WORD: READ John 16:1-15

What was your greatest takeaway from the scripture/message?

What was Christ's intent when He was talking to His disciples in this scene?

Jesus is talking about persecution coming from their very own people. *As you follow Christ, have you experienced opposition from your family, friends, etc? How do we respond?*

Great power comes with great persecution. *Have you ever encountered the great power of God through the power of His Holy Spirit, and at the same time experienced great opposition? Talk about it.*

Better than the relationship the disciples had face to face with Christ, His Spirit lives inside of us! *Have you embraced that truth? Are you simply brushing by His Spirit? Have you embraced the lifestyle and mission of the Holy Spirit in your life? How do you know?*

What can we NOT do without the Holy Spirit in our life? (Hint: read, interpret, believe, encounter intimacy).

WITNESS: Create an action plan this week to invite a friend, family member, co-worker, barista, etc. to our Easter Sunday service. Who are you being led to invite? Use the Invite Card as a tool. Rely on the Holy Spirit to draw them unto Himself.
