

Welcome: Do you have any New Year's Resolutions for 2019?

Worship: Listen to "Old For New" by Bethel Worship.

Word: Read *Ephesians 4:11-16*

What is one truth that sticks out to you from the scripture or message? What did you underline/highlight/write down?

What does a maturing faith mean, and why is Paul encouraging the church towards spiritual maturity?

As you have grown in your faith, have you sensed the fullness of Christ? How?

What is the danger of spiritual infancy?

How does a maturing faith help to overcome vulnerability and deceit from the enemy?

In what ways does a maturing faith help strengthen the church? When have you been lifted up by others who were spiritually mature?

Starting 2019, what faithful step of the discipleship model will you take? How can the group pray and hold you accountable to it?

Witness: Spend time in intentional prayer together as a group - pray for MORE in 2019!
