

Welcome: What is one thing you like to do when you have free time?

Worship: Have someone pick their favorite Psalm or worship song to open group.

Word:

Below are four simple questions that should create good discussion:

1. How has the telling of "Our Story" over the past for weeks served as an illustration or a way to help interpret "Your Story" in the past and present?

2. How has your view of Monterey Church changed, for better or worse, through hearing the story?

3. Do you believe Pastor Bryan's prophecy, "...soon we will be released from these momentary difficulties and experience, instead, God releasing extraordinary power and authority for the building up the Kingdom of Heaven..."?

4. What does the prophecy and vision for the future of Monterey Church mean to you personally?

Witness: Pray every morning for an opportunity that day to minister to, encourage, pray with, or simply love someone who crosses your path and the discernment to know who and how.
