

**Welcome:** If you had to eat fast food, where would you go and what would you order?

**Worship:** Read *Psalm 8*

**Word:** Read *Matthew 18:1-7, 10-14, Luke 12:6-7, 22-24*

What stood out to you most about this week's sermon?

What is one thing that you learned (or were reminded of) from the Foundations Series that you do not want to forget?

What do you think Jesus meant when He said that we must "become like little children"? In what way(s) do you need to look more like a "child"?

Who do you think the "wandering sheep" is in Matt. 18:10-14?

Share about a time when you went "wandering" off from our Shepherd.

A common theme of these verses is how singularly important you are to God, and that He has "plans to prosper you and...give you hope and a future." (Jeremiah 29:11) Do you have trouble believing that? Why or why not?

**Witness:** If God is willing to dispense a disproportionate amount of time and effort for just one of His lost, reconsider how you apportion your time and effort in connecting friends/family that are far from God. What is one extravagant act of love that you could do this week for someone you love who has wandered off?
