

Welcome: What is your favorite thing about the fall season?

Worship: Have a member pick out a worship song or read a favorite Psalm.

Word: Read *Joshua 4:1-6, 20-24*

- What stood out most to you from this weeks sermon/Scriptures?
- What was significant about the "12 Stone" monument? Why was this God's first command after crossing the Jordan?
- Think back on your past week, what ways have you experienced the love of God through a miracle?
- Talk about the 4 reasons why it's important that you tell the story of that miracle. (You hear, others hear, generations hear, the enemy hears...)
- How would your circle of influence (family, friends, co-workers, neighbors, etc.) be affected if we were to begin sharing more stories of God's perfect love for us?

Witness: Go around the circle and share the one person that you will tell a miracle story of God's love to this week.
