**Sermon Notes:**

**Welcome:** Out of the 4 types of weather seasons, which do you prefer most?

**Worship:** Read Psalm 100.

**Word:** Esther 4:13-17, Ecc. 4:9-12, Romans 8:14-17, Eph. 2:8-10, Mt. 5:14-16

1. What is one thing about the sermon/Scriptures that really stuck out to you, and why?

2. What type of season are you currently in? (Waiting, dry, exciting, testing, etc.)

3. Why has God has called us into community? Talk about a time you greatly benefited from being a part of Christ's community.

4. Are there labels you wear that overshadow or replace your identity as a son/daughter of God? What are they, and where do they come from?

5. How does your identity in Christ affect your decision making?

6. What prevents you from believing that the Lord desires to use you in your season? What are some ways to combat that belief?

7. What evidence can you see in your current season that the Lord is working in or around you. How is He calling you to step out in faith?
