

**Welcome:** Have you ever been in a major hailstorm, tornado, or hurricane? Briefly share your experience.

**Worship:** Listen to *Eye of the Storm* by Ryan Stevenson.

**Word:** Read Luke 8:22-25

- 1) Have you ever experienced "one of those days" where something happened and a personal 'storm' (trial, challenge, or difficulty) suddenly descended upon your life?
  
- 2) How did the 'storm' in your life drive you to stop relying on yourself and start seeking Jesus?
  
- 3) Describe an experience where you felt Jesus speak, fulfill God's promise, and/or demonstrate His power in the midst of your personal storm?
  
- 4) In what ways did your journey through the storm prepare you to minister to others?

**Witness:** Pray for God to reveal one person who needs to hear your story of how God delivered you from the 'storm'. Be bold and share your testimony with them.
