

Welcome: Are you a planner or a procrastinator? Give an example.

Worship: Listen to *Jesus Paid it All* by Shane and Shane
<https://m.youtube.com/watch?v=tHp8eThI2qk&feature=youtu.be>

Word: Read all of Isaiah 55

1. What part of the passage/message this week landed on you with the most potency and why? (Spend a lot of time here)
2. How does this passage written 700 years before the coming of Christ actually speak more directly to us (Spiritual Israel) than to Isaiah's audience at the time (Ancient Israel)?
3. What are some of the felt needs you are seeking God to answer in this new year?
4. How do we surrender what we think the solution is and accept his remedy instead?
5. How do you hear from God best?

Witness: Close by praying for God to speak with great clarity to our Body (every member of it) in the days ahead, through our sermons (Bible and preaching), dGroups (people), circumstances (interpreted in prayer by the HS, quiet times (time in Bible and prayer), and beyond.
