

Welcome: Discuss the best part and worst part of your past week.

Worship: Read *Psalm 148* aloud.

Word: Read *Genesis 1:1-19*.

What does it mean to say God created the Heavens and Earth through divine 'fiat'?

Which day or which aspect of the first four days of creation are the most fascinating to you?

What do you imagine was going on in the heart of God when he would survey his work and "see that it was good?"

Read Psalm 19:1-6.

Why do you think most Americans still do not believe in "purely secular evolution?"

Where in nature do you feel closest to God?

How does this passage and series bless you? How does this passage and series challenge you?

Witness: Close with prayer asking God to use this series with you, your group, our church and those from our community dropping in on us during the series.
