Non-Believer / Non-Follower

Truth-seeker

Nominal Christian

The Gospel

Timothy Flowchart

Who is a Timothy?

A Timothy is anyone who learns from their discipler about:

- Growing in the Christian walk
- How to grow as a disciple
- How to live a life for Christ

How The flowchart helps:

- Identifies different Timothys (Not all Timothys are the same)
- Shows you where you can use the Discipleship Square
- End goal is always replication
