

How to be good at words

Discussion questions

1. What parts of the message resonated with you?

2. Do you believe that your words have power? Have you had an experience where you found out some time after the fact that something you said had real power or influence in someone's life (could be positive or negative)? Share the experience
 - a. Are there any times where you have been wounded by someone's words? How did you or how are you working through that wound?

3. Looking at the characteristics of wise words which one(s) come naturally or maybe you're pre-disposed to do based on your personality? Which one do you think you need the most healing for?

4. Talk about the way our words should be shaped by the Gospel. What are the areas in your life where you need "more Gospel" in order for our words to be healed?
