### The Northside Pastoral Search

**Team** met on March 8, 2023. Our meeting began by evaluating and discussing the results from our congregational survey that we have received so far (94 surveys to date). We received feedback about some technical glitches with the survey, which have been corrected. Feel free to contact us at [pscnorthside@gmail.com](mailto:pscnorthside@gmail.com) if you have trouble filling out the survey or have any additional comments, questions, or concerns. Please take time to complete the survey; **YOUR** thoughts and opinions are essential in this process. **The survey will remain open through March 19, 2023.** After the survey evaluation, we made our first pass through the candidate resumes that have come in. We have received 12 resumes, all generated from our online job postings. We have contacted over 40 candidates through our recruiter and anticipate having several resumes to review from this effort at our next meeting on March 22, 2023. Please continue to pray for our team, staff, and church as we continue this work.
