

# Jesus is... The Bread of Life

Exodus 16:2-15, Psalm 78:23-29, John 6:22-59

- When Jesus makes these “I am” statements, he is \_\_\_\_\_ the truth of His identity and the power of His presence.
- We all spend our lives reaching for things we hope will finally fill what feels \_\_\_\_\_.

## Misaligned Hunger

- Food that \_\_\_\_\_ → temporary satisfaction
- Food that \_\_\_\_\_ → eternal life
- When our hunger is misdirected, we end up feeding on things that cannot truly \_\_\_\_\_.

## Manna Was Never the Goal

- \_\_\_\_\_ was God’s gracious provision for daily need—but it was never meant to be the source of lasting life. Jesus’ claim to be the Bread of Life reveals that He is not only the giver of life—He is the \_\_\_\_\_ of life.

## Jesus is the Bread of Life

- Jesus is the \_\_\_\_\_ of life.
  - \_\_\_\_\_ what you are treating as “life.”
- Life is found in \_\_\_\_\_ Jesus.
  - \_\_\_\_\_ and make time to be with Jesus this week.
- This life is sustained through \_\_\_\_\_ on Jesus.
  - Turn moments of \_\_\_\_\_ into moments of dependence.
