## MESSAGE NOTES

### Bumper Sticker Theology // Week 6

The connection between money and happiness:

1. We believe it's about MORE.

*(Ecclesiastes 5:10-14)*

2. Jesus taught that it's about MANAGEMENT.

*No one can serve two masters. For you will hate the one and love the other; you will be devoted to one and despise the other. You cannot serve God and be enslaved to money. Matthew 6:24*

3 words that are associated with money:

1. DISCONTENTMENT

2. GREED

3. DEBT

Which of these words makes you HAPPY?

How to manage money wisely:

GIVE / SAVE / LIVE

1. GIVE = JOY.

*(1 Timothy 6:6-8, 17-19)*

2. SAVE = PEACE.

*(Proverbs 21:20)*

3. LIVE on the rest = FREEDOM.

*(Proverbs 24:27, Proverbs 27:23-24)*

# LIFE GROUPS

## DISCUSSION GUIDE

*These questions are designed to help groups discuss the weekend teaching while building relationships with each other and growing in our faith!*

**May 14th / 17th, 2026**

1

### WARM UP

1. What's the funniest or most unnecessary things you've ever purchased on a whim at Target or Costco?

2. When you hear a church talk about money, what emotions or thoughts usually come to mind?

2

### KNOW IT

1. Jesus said, "No one can serve two masters..." Why do you think Jesus talked so much about money? In what ways can money become our "master" without us even realizing it?

2. Read **Ecclesiastes 5:10-14**. What stands out to you most from Solomon's words about wealth and happiness? Why do you think "more" never seems to feel like enough?

3. Read **1 Timothy 6:6-10, 17-19**. According to Paul, what does "true wealth" look like? What's the difference between enjoying what God has given and putting our trust in it?

4. Read **Proverbs 3:9-10**. What do you think it practically means to "honor the Lord" with our finances?

3

### SHARE IT

1. Which of the three words from the message to you wrestle with most right now: DISCONTENTMENT // GREED // DEBT

2. The message said, "I WANT is better than I OWE." Where have you seen that proven true in your own life? Does your current financial life feel more like peace or anxiety?

3. What is one area where "more" has quietly become your definition of happiness?

4. Which part of the "GIVE // SAVE // LIVE" rhythm is easiest for you? Which part is most difficult?

4

### LIVE IT

1. Some of us WANT to be generous, but fear or poor management are keeping us from actually BEING generous. What one thing would need to change for you to be generous with how you manage your money?

2. Generosity is more a HEART issue than a MONEY issue! What would it look like for you to begin to trust God in this area of your life?

3. As a group, how can we encourage one another to pursue JOY through generosity, PEACE through wise savings, and FREEDOM through stewardship?
