

# ONE NEW MAN | 6.14

## INSTRUCTIONS:

Parents, feel free to use this lesson before, during, or after you worship together as a family. We have tried to give the sermon text some context for our youngest brothers and sisters in Christ to understand. Sometimes we might use the same text, but emphasize a different point to give our children something more concrete to take away from the lesson.

**SERMON TEXT:** Ephesians 2:11-22

**BIG IDEA:** Reality: Forgive Us Our Debts

## DISCUSSION QUESTIONS:

1. What were the Key Points?
2. Was there any new or important points for you? What were they?
3. What questions did you have during or after the service?
4. What words did you not understand?

6. What is something God is asking you to do, think, or be?
