

DISCUSSION QUESTIONS

October 13, 2019

1. Have you ever been a part of a church or organization that had lost sight of its mission and focus? What are some things that occurred that contributed to that drift?
2. What do you think a church that had Jesus as its primary focus would look like? What things would be happening? What things would not be happening?
3. How does the gospel help us steer away from self-focus and self-pleasing?
4. Share with the group your own definition of faith or trust in God.
5. Can you think of a time when you really had to trust God? What means of grace did God provide that helped you step out in faith?
6. What do you think a church abounding in Spirit-empowered hope would look like? Is Community Bible Church there yet? Why or why not? Do you think we are on our way? Why or why not?
