

Go ye into all the world
and preach the Gospel!

Welcome To RCO Ministries In
The Holy Land

Rev. Munir and Sharon Kakish founded RCO Ministries more than 45 years ago. Michael and Jackie Kakish joined us in the work.

The current ministries are:

- 1. Children's Ministry for needy children. Provide food and housing for many years. Lot of love too!**
- 2. Children's Study Program for needy children. Provide Christian tutors!**
- 3. A food program during this difficult time with war and unemployment.**
- 4. Rev. Kakish is pastor of Ramallah Local Church, an active church in the West Bank.**
- 5. Rev. Kakish is pastor of Ramla Local Church, another church but in Ramla Israel.**
- 6. Rev. Kakish is president of the Council of Local Evangelical Churches in The Holy Land. The council has about 13 local churches and 9 parachurch organizations.**

Every summer we have camp for children. It is a highlight of the year!

RCO Ministries in the holy land
Summer Camp

**RCO Ministries Ministers to
Needy Children**
Over the years we have
helped 1000s of children.
They still come back and
visit us! These children are
from needy families. Many
lived in the Home for years.

They all love Christmas and Thanksgiving (Sharon always makes a big turkey dinner that all love).

Click on the video above to see how happy our children are!

We love the children with whom we work. We want them to know and love Jesus. We have many graduates who are now ministers, doctors, teachers, bankers, and are living Christian lives in the Middle East and some have even been able to immigrate to the USA!

**The children in the Home of New Life
Study program are from needy families.
We hire Christian tutors to work with
them so they can succeed in their studies!
Many go on to college!**

During these recent days of turmoil, we have helped many family with food boxes and medicine. In addition to the food boxes, we distribute fresh chickens and frozen vegetables. Many families had jobs in Israel and the roads are closed for them and they have no jobs and no income. Please, please, pray for peace!

More Needy Families!

Very Happy! He had severe heart problems and we gave him some money and a food box! He had a mild stroke while at church so we transported him to the hospital! He is back in church.

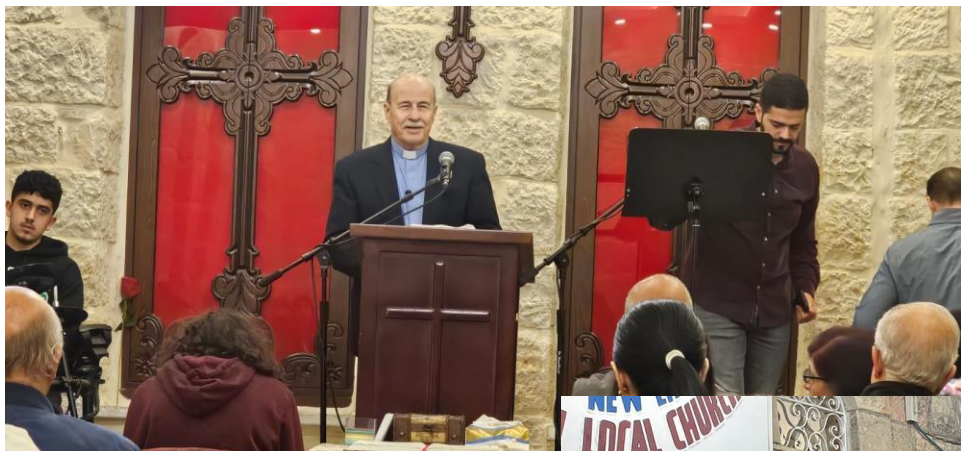

More families we help! Plus 2 short videos about food packages!

Ramallah Local Church

**Two short videos of
worship at Ramallah
Local Church
(Michael Kakish on
the guitar).**

Pastor Kakish is the president of the Alliance of Local Evangelical Churches in the Holy Land. This is almost all of the Evangelical Churches in Palestine and the Gaza Strip. The Gaza Strip church is heavily damaged.

The Alliance of Evangelical Conventions of Jordan and the Holy Land met in Ajloun, Jordan. Pastor Munir is the president of the three councils. The pictures below are of a conference for the Council of Local Churches in the Holy Land.

Michael and Jackie Kakish leading worship!

The Most exciting thing is that Pastor Kakish has helped the council obtain official recognition by the Palestinian Authority. Evangelicals are now recognized as a registered religion in the West Bank. They can establish churches, open bank accounts, register property in the name of the church! This was a miracle!

Bishop Tendero of the WEA (World Evangelical Alliance) helped by visiting the authorities in order for them to grant us legal recognition. In November of 2019, the Palestinian Authorities granted the Evangelicals in Palestine legal recognition and all of their civil rights.

Bishop Tendero and Pastor Kakish, showing the formal decree at the WEA Conference in Jakarta, Indonesia in 2019.

**Pray for us as we
continue the work in
the Holy Land!**

**We appreciate your
partnership in
missions. We could
not do it without you!**
