

GROWTH GROUP STUDY

For the week of June 16, 2019 – For Small Group or Personal Study

WHAT DOES IT SAY?

Read Isaiah 61:1-4

Put these verses in your own words.

What is the main concern that Isaiah is writing about?

WHAT DOES IT MEAN?

Read Luke 4:16-21

In light of reading Isaiah 61:1-4 text, do you have any new insights after reading Luke 4:16-21?

Read the following Scriptures. What do they say to you about hope?

Psalm 33:20-22

Matthew 7:24-27

Isaiah 40: 28-31

Romans 15:13

WHAT IS GOD SAYING TO YOU?

Was there a time in your life that you felt hopeless, or were a “quart low”, anyhow? Who were those who came beside you walk through this time with you?

In Galatians 6:2 we hear these words: “Carry one another’s burdens.” Can you think of someone around you who needs a helping hand or listening ear? Hope starts when we know we’re not alone.

**Spend time praying for one another.
Pray for God to use each other as agents of hope as the hands,
feet and the voice of Jesus in a dark world that needs the Hope
that only He can bring.**

THE PURPOSE OF GROWTH GROUPS

Growth Groups are 10-week, sermon-based groups that promote spiritual growth through building meaningful Christian relationships and the study of God's Word (Colossians 1.28).

Here's how it happens:

SHARE: We share what is happening in our lives.

STUDY: We study and discuss the questions on this sermon notes page in relation to Sunday's sermon. Our goal is to apply what we learn.

SUPPORT: We do this by: praying for one another, encouragement, listening, challenging one another and meeting needs.

SERVE: We do a service project during each quarter we meet. Our desire is to share God's love with others by meeting real needs.

3. Hope Received and Offered
