# "Amazing Grace!"

New Hope Community Church **Luke 23:32-43** April 3rd, 2022

## A. Ways In Which Our Savior Suffered

- 1. He suffered **reputation** as a common criminal
  - His death sentence was in exchange for a murderer
  - His cross was placed between two thieves
  - Jesus exchanged His reputation for our reputation
- 2. He suffered **insults** and **abuse** at the hands of godless people
  - Soldiers stripped Him and cast lots for His clothing
  - Soldiers mocked His suffering and offered sour wine
  - Jewish officials mocked His claim to be the Messiah (Ps 22:7,8,12,13)
- 3. He suffered **shame** before family, disciples, acquaintances
  - "And the people stood by looking on" (35a)
  - He became a public spectacle (Ps 22:6)
- 4. He suffered **humiliation** by people ridiculing the truth about Who He Was King of the Jews
  - He was the Anointed One, the prophesied offspring of David
  - The inscription on His cross mocked this reality

#### B. Ways In Which Our Savior Responded

- 1. He prayed for the **forgiveness** of His murderers Who did He include in this prayer?
  - Any participant in His death who would repent
    - "Whoever calls upon the name of the Lord will be saved"
  - The apostles, & we today, proclaim the heart of His prayer (Ac 3:14-19)
- 2. He **saved** a dying thief in the final moments of His own life

#### <u>Personal Reflection</u> Pondering Amazing Grace

- The darker the evil, the **brighter** the grace!
- God's purpose is to reveal the glory of His **grace**! (Eph 2:4-8)
- "Suffering is an essential part of the tapestry of the universe so that the weaving of grace can be seen for what it really is." (John Piper)
- God allows suffering in order to **perfect** us by His grace!
