- 1. Sam talked about a connection between our love for God and knowledge of Him. What have you learned about God that has led you to love Him more?*
- 2. Moses removes his sandals before talking to God as an act of humility. Are similar acts of humility useful today? Why or why not? And if yes, how do you humble yourself before God?*
- 3. How does the reality of God impact your life?*
- 4. Do you have any questions about the existence of God? Have you ever thought about how YOU know God is real? Can you share?*

- 7. Do you have any other questions about God or the sermon?*
