UNSUNG HEROES (May 12 to June 16)

In the grand scope of the God's story, there are a few who get most of the press. However, behind the scenes, God often employs those whose stories may not receive as much adulation — weaving their actions into the tapestry of His divine plan. Unsung heroes — while often unnoticed — have an impact echoing throughout eternity.

Group Discussion

Getting started: What are you most looking forward to this summer?

1. Read **Acts 16:11-15**. What stood out to you and challenged you from the message?
2. Who have you seen model hospitality well? When have you been grateful for someone else's hospitality toward you? Why is hospitality so important in the lives of believers?
3. When it comes to hospitality, what comes easy to you? What is challenging?
4. Biblical hospitality is meeting a stranger and embracing them like a friend. What would it look like for you to do this?
5. What is it about sharing a meal with someone that leads to better conversation and connection?
