

Find Hope and Healing Through Re:generation

About Re:generation

Re:generation is a biblically-based discipleship program that helps people experience healing, recovery, and lasting freedom from any type of struggle. Whether you wrestle with addiction, anger, fear, anxiety, or pornography, Re:generation is a safe place to pursue transformation in Christ alongside others.

"Bear one another's burdens, and so fulfill the law of Christ." — Galatians 6:2

According to the program's creators, pornography is the most common struggle that brings people to Re:generation, but the program is about discipleship that goes beyond any single issue. Learn more about the program [here](#).
