### DISCUSSION QUESTIONS

1. Was there anything about the sermon today you'd like to discuss further? Anything that stuck out to you or that you wanted clarification on?
2. In this series, we hope you've come to understand some things about God & Money. (1) God is the owner of everything and we manage what he gives to us. (2) Our #1 responsibility is to honor God with how we use our money. What else have you learned about money from this series?
3. Agree or disagree: It is impossible to be a committed Christ-follower and remain financially irresponsible. Why or why not?
4. Today we talked about giving as a grace. Have you ever thought about giving in this way? How does this shape your view of money?
5. Paul suggests that giving can be a special gift from the Holy Spirit. How might we identify and encourage this gift in ourselves or others?
6. Some contrast grace giving with the tithe. What should non-Jewish Christians think about tithing? Is 10% too much, not enough, or is this the wrong question?
7. Grace giving is voluntary, sacrificial, and done cheerfully. How do we ensure our giving meets these criteria? What would discourage this kind of giving? Why?
8. When you think about God & Money do you default to what God wants FROM you or what God wants FOR you? Why is that? What does God want FOR you?
9. Read 1 Timothy 6:17-19. How does that passage relate to our text/series?
10. In light of today's message, what are some concrete and practical steps you will take today so that you apply the Word to your life? How can we help?
